* Dependent on your section

Fee information

- Band Camp
 - The band camp fee pays for facilities, food, the staff at Camp Bountiful, and many other items that are required for a successful camp.
- Summer Uniform
 - All Freshmen and New Members are required to purchase the summer uniform. This is worn for the 4th of July Parade, several early-season football games, and at other performances throughout the year.
- Marching Band Shoes
 - Only brass/woodwinds/percussion are required to purchase marching band shoes. These are likely a one time purchase unless your shoe size changes, or you ruin your current pair. We occasionally are able to give pairs away at uniform distribution night. More information to come!
- School Owned Instrument Rental
 - This fee is for the care and maintenance of school-owned instruments. If you are using a school instrument from this list, you will be assessed this fee.
 - Bass Clarinet, Tenor Sax, Bari Sax, Mellophone, Baritone, Euphonium, Contra, any percussion instrument.
